THE TOYS "R" US PROMISE:

GUARANTEED LOW PRICES!

We're not like other stores. Because no matter when you shop, we feature low prices. It's like having a sale every day of the year! In fact, we believe our everyday prices are so low we guarantee them. If you should find a lower priced item in any current ad, just bring it to us and we'll gladly match that price. The advertised item must be in stock and the ad must show specific item and price. It's our way of saying we won't be undersold. We promise!

OVER ONE MILLION TOYS!

When it's holiday crunch time and all the other stores have nothing but empty shelves, we'll still have over one million toys, but more importantly, we'll have your toy. We promise!

EASIEST RETURNS IN TOWN!

Once you've made the decision to shop here, we'll work hard to prove it was the right decision. If, for any reason, you're not satisfied with your purchase, simply return it. We'll take care of the rest. You'll get an exchange or a refund, just like that. We promise!

WE GUARANTEE YOUR SATISFACTION.
